Wes, Rachelle, Rich, Rob,

I just wanted to take a minute to write you a note to say thanks again for a great hunt! Thanks for riding the emotional roller-coaster of me - and thanks for the extra days for Jolie. She's still all smiles. Wes - tell your dad thanks again for finding Earl for the umpteenth time. What would we have done without him? And lastly, Jolie will never-ever forget how dedicated Rachelle was in helping her put a tag on her 1st P&Y animal. INCREDIBLE!

Maybe 07 will be my year to put a tag on a B16 BULL.

Take care,
Marty
